

ID: 13-02-23-BRNO-06  
Testing in English is comfortable: yes  
Confirmed the participation: 17 Feb 2013  
Group: advanced user  
Test session: second (14:00-14:30)

## **Email**

[REDACTED]

## **Basic Information**

**1) Which of the following age ranges applies to you? (circle one)**

31-35

**2) What is your primary language?**

Czech (cestina)

**3) What is your primary keyboard layout? (if you know it)**

en

**4) How often do you use computers and for what reasons? (circle all that apply)**

- I use computers for work.
- I use computers at home.
- I know how to program.

**5) Which of the following roles does your current job (if applicable) most closely match? (circle one)**

Development, analysis

**6) How much experience do you have with the following Operating Systems? Please check all that apply:**

	Use it currently	Used it in the past	Have installed it before
Fedora	✓		✓
Red Hat Enterprise Linux			
Other Linux: <a href="#">Debian</a>	✓	✓	✓
OS X			
Windows 8			
Windows 7	✓		✓
Windows XP		✓	✓
Other Microsoft Windows: _____			
Other: _____			

**Note:** During recruiting (before I sent him this survey) he wrote me:

(...) I guess I could be classified as advanced user (...) I started with Red Hat, then I tried a lot of systems, finally I “settle down” with Debian (on thinkpad). Last year I installed Fedora 17 on my new desktop (because of problems with Debian). I have upgraded to Fedora 18 (but I never installed F18).

## **Linux Experience**

**7) Do you have experience installing installing operating systems to virtual machines? Which ones? (check all that apply)**

- Virtual Box

**8) What different file systems are you familiar with? (check all that apply)**

- ext2 / ext3 / ext4 (Linux/UNIX)
- VFAT (Windows)
- NTFS (Windows)
- NFS

**9) Do you natively boot (not VM) more than one operating system on any computers you use? (circle one)**

Yes

**9a) Which operating systems? [win7](#), [linux\(fedora 1x, debian 2x\)](#)**

## **System Administration Experience**

**10) How much experience do you have in the system administration of any operating systems? (select one)**

Moderate - I frequently engage in system administration tasks, but it's not my main job

**If you selected 'None' in question 10, feel free to skip the rest of the survey. Thank you!**

**11) What is the maximum number of systems you've been responsible for managing? Rough guesses are fine. (circle one)**

1-10

**12) How much experience do you have with Logical Volume Management (LVM)? (check all that apply)**

I've used it before as an automatically-selected / default storage option

I've customized it manually before

I've resized LVs before

**13) Do you use or have experience with BTRFS? (check all that apply)**

I don't know much about it

## **Storage Experience**

**14) For the following questions, check all that apply:**

	I'm familiar with	I use this technology	I'm not familiar with
Snapshots			✓
Data Checksumming (...)			✓
Array Scrubbing (...)			✓
Storage Pools (...)			✓

**15) Do you have experience with advanced storage technologies?**

--

**15a) If yes, which kinds? (check all that apply)**

**16) Do you typically configure software RAID? Please check all that apply:**

	Never	Seldom	Sometimes	Often
RAID 1	✓			
RAID 4	✓			
RAID 5	✓			
RAID 6	✓			
RAID 10	✓			
RAID 0+1	✓			
Other _____				

**17) If you customize your storage configuration when installing Linux, how many disks, what kind of layout, and what technologies do you most often use? (Feel free to draw a diagram of how you would set this up, if you'd like.)**
